EXPERIENCE

CREATIVE
COMMUNICATION COORDINATOR

The Motive Culture And Communication Co., Ltd.
Beijing, China | 2020 – 2022

Coordinated integrated automotive communication campaigns across livestream productions, experiential brand events, and luxury communication initiatives.

Worked across creative development, communication coordination, production supervision, and narrative-based campaign execution.

KEY
CONTRIBUTIONS

- Coordinated communication workflows between clients, creative teams, suppliers, production vendors, and execution teams
- Developed communication proposals, visual references, presentation materials, and narrative frameworks for automotive campaigns
- Supported scriptwriting and narrative sequencing for livestream communication and branded content production
- Managed production timelines, creative assets, and campaign rollout coordination
- Supervised on-site communication execution for automotive events, livestream productions, and exhibitions
- Supported communication consistency across digital, physical, and experiential campaign touchpoints
- Coordinated photographers, production teams, celebrity management, and external collaborators
